ICCEI 2018

2018 6th International Conference on Communication and Electronics Information
Macau September 8-10, 2018

About ICCEI

The 2018 6th International Conference on Communication and Electronics Information will be held in Macau during September 8-10, 2018. ICCEI aims to provide a forum for researchers, practitioners, and professinals from the industry, academia and government to discourse on research and development, professionals practice in the field of communication and electronics information.

TOPIC

QoS Provisioning and Architectures
Telecommunication Services and Applications
Wireless Networking
Optical Communications
Multimedia Communications
Antennas - Design
Modeling and Measurement
Microwave Circuits - Systems and Applications
Computational Electromagnetics
 Radio Propagations,Integrated Optics
Embedded Systems
Reconfigurable Computing

VLSI Design, Biomedical Electronics
Industrial Electronics and Automations
Robotics
Electronic Devices in Communications
Artificial Intelligence
Bioinformatics, Software Engineering
VLSI Design and Fabrication
Photonic Technologies
Parallel and Distributed Computing
Channel Coding
Space-Time Signal Processing MIMO and OFDM Systems
Signal Detection and Estimation
Audio/Speech Signal Processing

Publication

Accepted papers of ICCEI will be published into either one of the two journals below based on their topics:
1. Journal of Advances in Information Technology (ISSN: 1798-2340, indexed by INSPEC; EBSCO; CrossRef; etc)
2. Journal of Communications (ISSN: 1796-2021 (Online); 2374-4367 (Print); indexed by SCOPUS; Google Scholar; INSPEC; etc.)

Important Date:

Notification of paper acceptance	15 May 2018
Registration Deadline	30 May 2018
Submission of Camera papers	30 May 2018
Conference Dates	8-10 September 2018
